The Goondiwindi Regional Council invites you to consider Goondiwindi as the venue for your next event.

We Love Our Region

Goondiwindi offers a modern country lifestyle in a family-friendly and incredibly safe environment. Although Goondiwindi is a substantially sized country town, it has the intimate feel of a small, rural settlement.

The community is close and welcoming. At any number of the restaurants, cafes, shops or hotels in town, the staff will provide you with a level of service usually reserved for more urbane locations. Guests are regularly surprised by the breadth of retail options, and our clothing shops are well known for their quality and style. Everyone will go above and beyond to help make your event memorable for all the right reasons.

A thriving country town situated on the Macintyre River near the QLD - NSW border.

Goondiwindi is a thriving country town situated on the Macintyre River near the Queensland – New South Wales border, and is home to around 6000 locals. With 5 major highways intersecting at Goondiwindi, we are a gateway to the outback and natural access point to Queensland for interstate travellers, making it easy for everyone to get here. It is the commercial centre of a vast agricultural and pastoral region, producing cotton, grain, wool, beef, lamb and pork. At every opportunity we love to incorporate this agricultural theme into your event to make an authentic and genuine country experience for your guests. Goondiwindi also has plenty of options for shopping, dining and entertainment and is a pretty and welcoming town, with tree-lined streets, well-kept gardens and abundant wildlife.

You'll find it's a vibrant, contemporary place with excellent facilities and amenities. We are experienced in hosting a broad spectrum of event options from conference and training facilities, to equestrian extravaganzas, concerts, car rallies and major sporting events. We love our adventure sports with offroad motorsport racing and water ski championships to name a couple. August showcases our passion for all things equestrian offering everything from race days, cutting competitions, rodeos, to polo and polocrosse.

Our sporting facilities reflect our active lifestyle with an 18 hole golf course, international standard water ski park, 4 cricket fields, 3 rugby fields, 2 indoor netball, and 10 outdoor netball courts, an AFL field, 3 soccer fields, 2 lawn bowls greens, 5 tennis courts, a public swimming pool and multiple local gyms. Our community participation and volunteer base is second to none. For example The Hell of the West triathlon held in the very warm summer months, an event on the national triathlon calendar, caters for over 900 participants, which would not be possible without the 300 plus volunteers pitching in to help out.

Council support for events

Goondiwindi Regional Council
is committed to supporting local
events toward success

Our region has a rich and enthusiastic history devoted to family, sport and agriculture. This combined with our country spirit and community pride means we are an active region when it comes to community groups driving a broad range of activities and events.

There are several ways Council supports events being delivered in our region:

Community Development and Events Coordinator – Council is keen to see all events achieve their goals, and our dedicated Community Development and Events Coordinator can help! Of significance, the coordinator can help offer suggestions about local options, navigate requests to be made of Council in setting up your event, or assist in putting you in contact with the right local people. The Community Development and Events Coordinator would love to hear what some of your favourite experiences have been at other locations, and any other ideas that you have for making the Goondiwindi event, one of the best ever!

Council Events Calendar - Located on the Council's webpage www.grc.qld.gov.au you can scan for other events to avoid a clash of dates.

Not for Profit Community Database – Council maintains a Community group database, and can easily make contact with local groups that may be able to provide assistance (for a charitable donation) in delivering your event.

Goondiwindi Regional Council's Tourism Event Grant, for events that support people travelling to our region. See www.grc.qld.gov.au/tourism-event-grant for more information.

Goondiwindi Regional Council Community Grants - Goondiwindi Regional Council currently has a Community Grants and Donations funding program. You can learn more by visiting - www.grc.qld.gov.au/residents/donations-grants/community-grants-donations.
