

# Advice to Residents and Businesses

## Rehabilitation Works – Goondiwindi Regional Council

18 August 2017

### Dear Resident / Business

The Department of Transport and Main Roads (TMR) will be carrying out pavement rehabilitation works on the Cunningham Highway (Ipswich – Warwick), Cunningham Highway (Warwick – Inglewood), Gore Highway (Millmerran – Goondiwindi) and Leichhardt Highway (Miles – Goondiwindi) at various locations.

Work is expected to commence **Friday, 25 August 2017** and be completed by **mid-December 2017**, weather permitting.

The works will be conducted as day works between **6.00am and 6.00pm** with a reduced speed limit of 40km/h in place during these hours. One lane will remain open at all times and portable traffic signals will be in place to minimise traffic delays, however short delays of up to 5 minutes can be expected.

The speed limit will return to 60km/h outside of work hours.

The safety of motorists and road workers is TMR's top priority and motorists are asked to drive to the traffic conditions and obey all signage and instructions from traffic controllers during the course of the works.

We thank you for your patience and understanding during the delivery of these important works and apologise for any inconvenience they may cause.

For up-to-date information on traffic disruptions, visit the 13 19 40 Traffic and Travel Information website at [www.131940.qld.gov.au](http://www.131940.qld.gov.au) or call 13 19 40.
